

Bedtime at 8:02 PM.
The Great Toothbrush
Boycott begins.

No way!
Brushing is
boring, sticky,
and dumb!

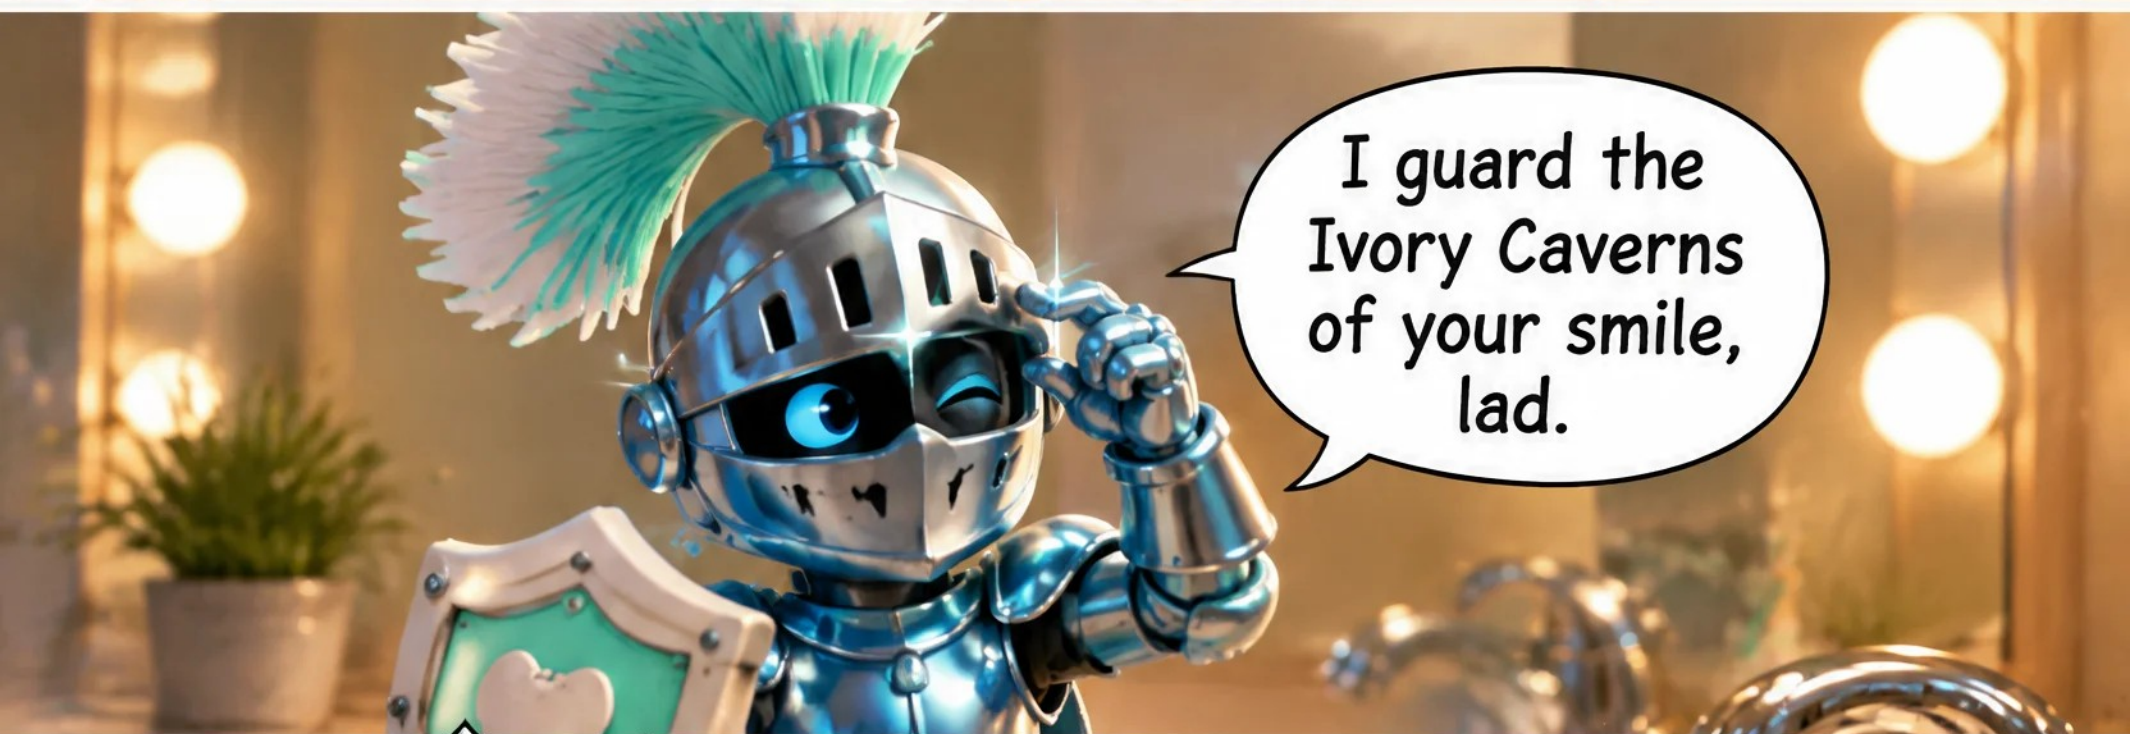

Stay down
there, plastic
stick.

CLATTER!

SHIIING!

BOING!

Halt, young giant!
A knight never
sleeps on watch!

Deep inside the
Ivory Caverns...

THUMP-THUMP!

**Chocolate chip
party! Crank the
gummy bass!**

**If he sleeps without
scrubbing, we build
candy castles!**

TAP-TAP-TAP!

**Gross! They're
building bouncy
castles on my teeth!**

Party's over,
confectionery
scoundrels!

Ack! Minty
freshness! My sticky
syrup is slipping!

FOOOAM!

Retreat to the gumline!
Hide under the pancake
crumbs!

WHEEEE!

I need heavy
artillery! Leo, wield
the mighty brush!
